## Certificate of Non-Influence and HVCC Compliance

NATIONWIDE APPRAISAL NETWORK

Your appraisal was completed compliant with the Home Valuation Code of Conduct. The report completed adhered to the following:

1. The appraisal/valuation report attached was ordered, received and processed under the guidelines set forth within the Home Valuation Code of Conduct.
2. Appropriate precautions and an assurance of independence, both of our ordering processes and the valuation process, were observed during this process.
3. The precautions and assurances of independence of both our ordering processes and the valuation process are detailed within our established Board approved policies and procedures and were followed in the assignment and deliverance of this report.

Copies of our policies and procedures relevant to this process may be requested for review by calling the contact information below.
